What is the National Prayer Luncheon for Life?

Heroic Media's National Prayer Luncheon for Life is on the same day, at the same time, as Planned Parenthood's Annual "Awards" Luncheon, and benefits Heroic Media's highly effective internet advertising programs. Our advertisements connect women facing unexpected pregnancies with Pregnancy Help Centers (PHCs) which provide compassionate care for both moms and babies.

Last year, with a record attendance of 2,200, our Luncheon raised a record \$1.4 million dollars to SAVE LIVES! Planned Parenthood, however, raised a record \$2 million dollars at their event to support their abortion agenda.

Our goal is to **outraise** Planned Parenthood for the cause of LIFE this year! We invite all who LOVE LIFE to join us on Friday, March 6! If you live in the Dallas-Fort Worth area, or can travel, we invite you to attend the luncheon at the Gaylord Texan Resort & Convention Center. If you live in another area of the country, you can join us by watching our event livestream on the internet.

The event is FREE to attend live or online, but reservations are required.
