

THANK YOU, KNIGHTS!

St. John Neumann Knights of Columbus - Austin, TX

The JPIL Life Center is blessed to have had the support of 33 Knights of Columbus Councils in Texas to save babies and support families in need since 2011. Together, we have saved over **1,700** babies from abortion.

The Knights have played an essential role in raising funds to provide state-of-the-art sonogram machines for our Center. The Knights have also been instrumental in restocking Gianna's Closet at JPIL Life Center, which supplies **material resources** to women throughout pregnancy and until their child is three years old.

The **Aid and Support After Pregnancy (ASAP) program** initiated by the National Knights of Columbus has provided matching funds to supplement local council's efforts to assist JPIL Life Center and others. These resources have benefited thousands of families.

St. Thomas More Knights of Columbus - Austin, TX
