

Welcome Knights and Ladies to the Texas State Council 119th State Convention!

Please make the most of your convention by:

- 1) Participating in the educational sessions; Council members covering different subjects
- 2) Arriving on time for the business and caucus sessions.
- 3) Carrying, and displaying proudly (when asked), your 2023 Knights of Columbus membership card.
- 4) Meeting new people from other councils and learning about their projects and activities. Lots of great ideas out there!
- 5) Attending the Memorial Mass and collecting a Mass worship aid that includes the names of those Brother Knights that passed this year.
- 6) Thanking members of the Dallas Host Committee for their hard work .

Have a great convention!

Vivat Jesus!
