The Frydek Knights of Columbus proudly serves the Parish of St Mary's and the community of Frydek in Austin County. We were chartered on January 1, 2000 and chose Fr Lad Klimicek as our namesake. Fr Lad served our Parish and community from 1944 until his death on February 13, 1970. It is our Council's hope to serve as Fr Lad served. Under his direction, our Grotto was constructed in thanksgiving for the safe return of every man from our parish in World War II. This Grotto still stands as a constant reminder of the loving watch of God on our community.

It is our hope as a council to continue to serve with Charity, Unity and Fraternity.
