White Rose Women's Center is dedicated to saving lives. We seek out the abortion-minded client and educate her about the reality of abortion so she will choose life for her baby.

Since our founding in 1985, we have relied on the generosity of donors to fulfill our mission. We do not accept any government funding. We remain faithful to Catholic teaching and present our clients with a truly pro-life message.

We need volunteers!
We need monthly donors!
We need your prayers and support!
